

LEAD 2019

AN INNOVATIVE, INTERACTIVE AND
INSPIRATIONAL LEADERSHIP
PROGRAM FOR EARLY MEDICAL
CONSULTANTS

Are you fit to Lead? Applications are now open for early Medical Consultants who teach, supervise or mentor doctors in training to develop their leadership capabilities.

Through five innovative, interactive and inspirational face-to-face workshops, the Lead Program provides an opportunity to develop:

- Insight into own personality, conflict and leadership styles, and how to use these to enhance interactions with others
- Understanding of the broader health system and how to influence change within
- Supportive learning networks and connections with other early consultants and peers.
