Dear Dr Karplus

Emergency Physicians Allowance

Thank you for your letter of 18 November to provide feedback on the draft policy directive.

The changes proposed have been included, and I anticipate that the policy directive will be published in the near future. The latest version incorporating your suggested changes is attached.

I am unable to extend the term of this arrangement to 2020 as requested. The approval to extend the term until 30 June 2019 was given by the Wages Policy Taskforce (WPT). The WPT has also directed the Ministry to review the allowance and report to it on policy effectiveness.

Should you have any enquiries please contact Sharon Litchfield, Director, Industrial Relations and HR Policy, Workplace Relations on 9391 9706 or by email to sharon.litchfield@moh.health.nsw.gov.au.

Yours sincerely

Annie Owens
Executive Director Workplace Relations
