Review of licence conditions for 14 Newcastle CBD venues.

Thank you for the opportunity to contribute to the *Review of licence conditions for 14 Newcastle CBD venues*.

The following submission is made on behalf of the Last Drinks coalition.

The Last Drinks coalition is made up of major organisations representing emergency service workers in New South Wales - the NSW Nurses and Midwives' Association, the Australian Salaried Medical Officers' Federation NSW, the Health Services Union NSW, and the Police Association of NSW.

The Last Drinks coalition strongly supports the conditions established in 2008, and opposes any proposal to wind back those conditions.

Thank you for considering our submission. Please do not hesitate to contact us if we can be of any further assistance.

Yours faithfully
