Dear Dr Karplus,

### Changes to Car Parking

I am writing to advise that in the coming months there will be a number of changes to staff parking arrangements across the Westmead Health precinct.

Key changes include an increase in staff parking fees in line with NSW Health Policy and additional parking spaces for staff who work at The Children's Hospital at Westmead (CHW).

The *NSW Health Policy Directive PD2013\_031 Hospital Car Parking Fees Policy: Campuses which are subject to car parking development*, sets state wide parking fees for metropolitan hospitals following major capital works to parking.

With the completion of new parking facilities across the Westmead Health precinct allocation of additional spaces on the Oval will commence in early December and the parking fees for staff at both Westmead Hospital and The Children's Hospital at Westmead (CHW) will now increase in line with the Policy Directive on Monday 18 December 2017.

These changes were discussed at both of the most recent CHW Staff Car Parking Working Group meetings (a sub group of our CHW Local Staff Consultation Meeting) which have taken place on 8 August and 2 November 2017.

The fee changes are:

	Previous fee	New fee
Full time (per week)	\$12.40	\$22.70
Part time (per week)	\$9.92	\$18.16
After hours (per week)	\$9.92	\$18.16
Full time (per fortnight)	\$24.80	\$45.40
Part time (per fortnight)	\$19.84	\$36.32
After hours (per fortnight)	\$19.84	\$36.32

- **Part-time staff are defined as working 24 hours or less per week**
